

YARRA Radiology

About Us

YARRA Radiology is an established, independent Radiology Practice.

Our purpose built facility is conveniently located in South Yarra, Victoria and provides a thoroughly enjoyable environment, with excellent staff amenities and working conditions.

Our core principles are centered on exceptional service delivery with accuracy and timeliness, a commitment to providing our Team with a respectful and inclusive workplace and supporting the local healthcare community.

Our Sonographers are well supported and are provided the time and space to focus on their patient's care and delivering exceptional image quality.

Our Team of Sonographer's are highly experienced and provide a collaborative environment for ongoing development. This is supported by our Management Team and Principal Radiologist who support ongoing professional development.

The Position

With continued growth of our services, we are seeking an experienced Sonographer with a strong skillset in MSK and Women's Imaging including obstetrics. Experience in breast imaging will be highly regarded.

Supported by our Lead Sonographer and Principal Radiologist, latest technology and comprehensive imaging modalities, you will be responsible for the consistent delivery of exceptional quality imaging and patient care.

Whilst we would prefer a candidate seeking a full time position, we will consider a suitable candidate seeking an 8 or 9 day working fortnight.

You Will Have

- A commitment to delivering exceptional patient care.
- A commitment to developing strong working relationships with patients, referrers, and your work colleagues
- Well developed clinical skillset including MSK and Women's Imaging including Obstetrics
- Experience in breast imaging highly regarded
- Alignment with the service delivery expectations of a private provider
- The appropriate tertiary qualifications
- ASAR Registration

We offer

- Independent provider with a primary objective to providing our Team with an inclusive and respectful workplace experience.
- Focus on quality imaging and patient experience ahead of patient throughput
- Attractive location
- Competitive remuneration and benefits
- Flexible and supportive working arrangement.
- Commitment to supporting employee career growth and progression.
- Commitment to professional development and education

Please submit your application, including CV and cover letter through Seek or directly to james.sanderson@yarraradiology.com.au

We encourage applications from people of all ages, abilities and cultural backgrounds.
