

## Candidate Profile Form

<b>Full Name</b>	Brooke Osborne
<b>Summary of Professional Experience</b>	<p>I am currently a Senior Lecturer: Academic Development within the Teaching Innovation Unit at the University of South Australia.</p> <p>Prior to academia, I worked for over a decade as a radiographer/sonographer in major public hospitals. My passion for teaching and learning led me to complete a graduate diploma in education, and I enjoyed being able to link my clinical and education knowledge in previous roles as course coordinator then program director within the medical sonography programs at UniSA.</p>
<b>Home City</b>	Adelaide, South Australia
<b>Reasons for Nominating to become a General Director</b>	<p>I am seeking election to continue my time on the board as a reflection of my passion for helping to build the sonography profession to the level of recognition it deserves.</p> <p>My key experiences and learnings which support me in my role as Board Director stem from my time in busy tertiary public imaging departments, as well as through my education and research degrees, which have built my knowledge and understanding of sonographer education and skills development. More recently, my first term as an ASA Board Director and leadership experience within the tertiary sector has built my understanding of policy and governance across key political, health, and education sectors within which sonographers work and train.</p> <p>We have reached a pivotal moment for sonography in Australia and New Zealand, and the current key governance-related issues facing the ASA align strongly with my key passions for Australasian sonographers. Most notably, these include advocacy and sonographer regulation, along with further education, research, and guideline and policy development for professional accountability with the aim of giving sonographers even more reason to feel proud to play a role in this profession.</p>

<b>Previous Experience as a Director, Board Member or Committee Member</b>	<p>Current ASA member elected General Director, finishing my first term</p> <p>Fellow of the ASA</p> <p>ASA Sonographer Policy and Advisory Committee member</p> <p>Previously: ASA and ASAR Clinical Supervision Working Group member; ASA and ASAR Code of Conduct Working Group member; ASA SA Branch Committee member; ASAR CPD Committee member; University representative on ASAR Stakeholder Advisory Committee</p>
