

General Ultrasound Sonographer Symposium at Fiona Stanley Hospital

Presented by Canon Medical in collaboration with the ASA

Saturday, 17th February 2024, 8:00 am to 3:00 pm AWST

FSH Lecture Theatre, Education Building, Fiona Stanley Hospital, 11 Robin Warren Drive, Murdoch WA 6150

Program Overview

- This symposium combines both presentations by experts, and didactic scanning on a diverse range of general ultrasound topics:
- **Dr Daren Gibson** (Fiona Stanley Hospital)
 - Head and neck anatomy with pathology correlation
- **Paula King** (Royal Melbourne Hospital)
 - Bowel with a touch of appendix
 - Liver segments and lesions with CT correlation
- **Marilyn Zelesco** (Fiona Stanley Hospital)
 - Sonography in acute non-gravid pelvic pain
 - Spleen the forgotten organ

Registration
