

## Rewarding sonographers for achievement and service

### Application Guide

#### Why become a Fellow of the ASA?

Becoming a Fellow is recognition of your significant contribution to the sonography profession and the ASA and is a reflection of your dedication and professionalism.

Fellowship of the ASA is an immediately recognised hallmark of a specialist of the highest professional standing. Only Fellows of the ASA can use the post-nominal (FASA), which will be recognised worldwide.

Fellowship is a symbol that the holder has not only met the requirements for admission to fellowship, but remains a member in good standing with a professional organisation that has the highest aspirations for the sonography profession and high-quality patient care.

The establishment of the ASA fellowship program is an important step towards advanced practice for sonographers.

#### FASA entry requirements

1. Successful application for Associate Fellowship (AFASA)
2. To be conferred a Fellow of the ASA, a **minimum of 120 Fellowship points** within **at least 3 categories, with points achieved from at least one activity within the category 'ASA Service' and with one activity in two of the following categories 'Education, Publications, Presentations, Awards, Leadership-Other**. A minimum of 80 points must be for ASA-specific activities; supporting evidence for all non-ASA related activities must be included with all applications.

The 120 points are to be accrued over a 3-year period prior to the date of the application AND after having been awarded an Associate Fellowship of the ASA (AFASA). All achievements must be dated after you have been awarded an Associate Fellowship of the ASA.

## Table of Professional Achievements

### Fellowship fees

\$250 including GST on application. This is a one-off charge that covers our administration costs.

### Review process

Applications will be reviewed by the ASA Fellowship Panel. Applicants who have successfully reached the 120 points required will be contacted prior to the public announcement.

Applications that do not meet the requirement or have insufficient information will be contacted by ASA Member Services.

### Lodging your application

Please apply online at [www.sonographers.org](http://www.sonographers.org) – Fellowship is located under the Membership menu.

OR email to [memberservices@sonographers.org](mailto:memberservices@sonographers.org)

Please allow up to 20 business days for your application to be processed.

### Checklist

- I have completed the signed Application Form
- I have included an up to date CV
- I have completed the Payment Form.

### Application enquiries

For more information please contact ASA Member Services
