

asa Riverina branch meeting

Interesting Case Night

The ASA Riverina Branch warmly invites you to a fun evening of socialising and learning.

Come along to the interesting case night and share your best case or pathology review. This is also a great opportunity for students to hone their presentation skills in a friendly and supportive environment. Of course, you can attend the evening without needing to present.

Guidelines for presenting a case study:

- Presentations should be approximately 5-7 minutes in length
- Ensure that patient ID is removed from images and clips
- A suggested presentation structure includes: title, patient history, images/clips highlighting key learning points, patient follow-up and outcomes
- Presentations should be uploaded to a USB and it is recommended that images are also uploaded to a separate device in case of any issues

RSVP: Name and presentation title submitted by 26 April to skfrancis@gmail.com
