

JOIN TODAY

FREE Student Membership!

Australia's peak body for sonographers,
representing over 8,000 members across Australasia.

The ASA champions sonographers through:

ADVOCACY

Representing sonographers,
positively influencing policy,
and promoting high
professional standards.

EDUCATION

CPD tests, podcasts,
webinars, online learning
modules, events, and
professional development.

PROFESSIONAL SUPPORT

Career guidance, policy
advice, access to HR support,
and practice standards.

ASA Membership provides the most comprehensive range of
sonographer focused CPD opportunities in Australasia

HOW TO JOIN

STEP 1

Register your Accredited
Student Sonographer status
with ASAR or NZ MRTB

STEP 2
